

Infotech Aerospace Services opens a new facility

Hyderabad, August 25, 2006 - Infotech Enterprises Limited (NSE:INFOTECENT) Infotech Aerospace Services, a joint venture between Infotech Enterprise Limited and Pratt & Whitney, has opened a second facility in northwestern Puerto Rico and plans to hire 100 new employees.

Speaking on the occasion Rita Peralta, President and General Manager of Infotech Aerospace said, *"The 22,000 square foot (2,044-Square meter) facility in Isabela will help Infotech Aerospace meet demand for its engineering work and further United Technologies was investing US\$7.3 million (Euro 5.7 million) in Infotech Aerospace to create the new jobs, for mainly engineers and draftsmen, which will increase the workforce of Infotech Aerospace to 500"*

The Company will recruit Puerto Ricans for the positions, allowing the *"intellectual talent to remain in the island, contributing to economic development"* Gov. Niball Acevedo Vila said in a statement.
