

Infotech Enterprises Limited becomes the first IT Company to set-up a development center at Kakinada at the newly developed STPI facility.

Sri. Y S Rajasekhara Reddy, Chief Minister of Andhra Pradesh inaugurates the facility.

Kakinada, February 3rd, 2007: Infotech Enterprises Limited (IEL), a leading global Engineering Design Services, Geospatial Information Services and IT Service provider, today launched their operations in Kakinada with a development center created by STPI (Software Technology Park of India), Kakinada. This facility at Kakinada is the result of the joint effort of STPI and Infotech to project Kakinada as a Tier 2 destination of choice for IT companies.

STPI developed the facility with infrastructure and network services ready to plug and play. Infotech installed hardware and software and created a capacity of 60 workstations. Infotech's Kakinada facility is located in the District Collectorate Compound and can house over 120 Associates. To begin with, Infotech will employ over 60 associates from the region and will scale up to 120 engineers by end March 2007. This facility would be an incubation center and based on the initial six-month experience, the company intends to develop a full-fledged facility owned and operated by Infotech.

Speaking on the occasion, **Mr. BVR Mohan Reddy, Chairman & Managing Director, Infotech Enterprises Limited**, said, "Kakinada is an ideal Tier 2 location in Andhra Pradesh for software and services companies for it has wealth of engineering talent generated by quality technical institutes. It has good infrastructure and is well connected to Hyderabad. Our entry into Kakinada marks the beginning of the region developing into a preferred IT destination. We would expand our facilities based on our initial experience in the first six months of operations". Outside Hyderabad, Kakinada is the first centre of Infotech in Andhra Pradesh, which was launched as a part of its strategy to expand its operations to Tier-II cities. Infotech will shortly launch its operations in Vizag.
